

# PROJECT MANAGEMENT CHALLENGE 2006

## *Third Annual NASA Project Management Conference*

### BIOGRAPHY

**Mr. Michael R. Hazen**  
***Senior Engineering Specialist***  
**Jacobs Sverdrup**

**Biography:**

Mr. Hazen is a Systems Engineer with Jacobs Sverdrup supporting the Engineering and Science Contract at Johnson Space Center (JSC). He holds a BS in Aerospace Engineering from the University of Missouri – Rolla as well as an MS in Engineering from Princeton University. Mr. Hazen's experience includes 15 years supporting NASA as Chief Systems Engineer for Johnson Space Center's Space Station Training Facility. He has an additional 12 years experience as a Project Systems Engineer on a variety of military flight simulator programs. Mr. Hazen has presented a number of recent papers on effective use of systems engineering on complex projects.

**Mr. Dwight S. Auzenne**  
***Systems Engineer***  
**NASA JSC**

**Biography:**

Mr. Auzenne is a Systems Engineer with the Johnson Space Center (JSC) Office of the Chief Engineer and currently serves as Chair of both the Johnson Space Center Project Management Working Group and the JSC Systems Engineering Working Group. Mr. Auzenne holds a BS in Mechanical Engineering from Louisiana State University as well as an MS in Engineering Management from Cleveland State University. Mr. Auzenne's experience includes 15 years with NASA; 5 years at the Glenn Research Center and 10 years with the Johnson Space Center. Responsibilities included Materials and Processes Assurance Engineering Lead, Spaceflight Safety and Mission Assurance Lead, Program Performance Management Manager, Earned Value Management Certification Lead, and Project Independent Assessment Lead.
